

ALLOWANCE

Examiner's Amendment/Interview Summary

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview to attorney of record, Michael T. Rosato on 05/26/2010 and agreed to accept the changes.

2. The following amendments apply to the claims of 08/12/2009:

Claim 21: **Cancelled**

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: Claims 1-20, 22-31, 37-39 are allowed. The art of record does not teach or render obvious a computer implemented method for separating gingiva from a tooth on a computer model of the gingiva and the tooth including defining a 3D closed cutting surface passing through a line between the gingiva and a crown of the tooth of the computer model, and wherein the crown portion of the closed cutting surface includes a volume greater than the volume of the crown of the tooth and in combination with the elements set forth in the claim.

Art Unit: 3732

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
